SPEAKERS

**Ir Dr. Julian Lee** ————— Chief Executive & Founder | **Cinnotek International Group**

Ir Dr. Julian Lee is Principal at Cinnotek International Group, New Zealand, Malaysia and Singapore. He is also serving the Civil Engineering Society as an Adjunct Professor at the Department of Civil Engineering in the University of Hong Kong, and as the Deputy Chief Structural Engineer at the Chinese National Engineering Research Centre for Steel Construction (Hong Kong Branch) of Hong Kong Polytechnic University. Ir Dr. Lee is a Chartered Engineer and a Member of Institute of Civil Engineer, UK, and a member of the Hong Kong Institution of Engineers, Hong Kong. Prior to his current positions, he was Principal Civil Engineer at Genesis Energy Ltd, New Zealand. Since 1998, he has managed different infrastructure and building projects in the Asia Pacific region, as well as various construction-related research projects.

**Ar. Anthony Lee Tee** ————— Director, Accredited Architect & Trainer | **Architect Centre Sdn Bhd**

Ar. Anthony Lee Tee is the Director, Accredited Architect and Trainer of Architect Centre SB, a subsidiary of Pertubuhan Akitek Malaysia (PAM), which pioneered the way forward in Independent Building Inspection, Advisory and Forensics. Having inspected over one thousand properties in the last 10 years related to building failures, latent defects, leaks, unsafe construction, forensic investigations, explosion damage by gas, Ar. Tee shares many of his findings in Building Inspection Trainings all over Malaysia. He believes every property owner should be entitled to the best workmanship the property industry can provide, and this requires the professionalism of the entire team of Developer, Architects, Engineers, Building Contractors, Sub Contractors and Property Managers.

**Er. Kamalika Kundu** ————— Manager- Codes & Approvals | **Hilti Asia Pacific Pvt. Ltd.**

Er. Kamalika Kundu is currently working as Codes and Approval Manager at Hilti Asia Pacific Pvt. Ltd. located in Singapore and is responsible for markets like India, Australia, New Zealand, Malaysia, Singapore etc. in South Asia Pacific region. Prior to this, she has worked in various roles in Hilti in U.S.A and in India that involved product testing related to quality, development and approvals, product assessment, and R&D collaboration with universities. She has served as committee member of Bureau of Indian Standards as well as ASTM committee on Fire. She is also part of Governing Council of Indian Concrete Institute. She has published and presented in several international and national publications and forums like ACI, Bond in Concrete, ACECON 2015, CONCRETE 2016, IIBE etc.

**Ar. Chong Lee Siong** ————— Principal Architect | **Lee Siong Architect, Malaysia**

Ar. Chong Lee Siong owns LeeSiong Architect established since 1994, and he is active in the pursuit of the study of fire safety engineering from an architectural perspective. Lee Siong is a Member of the Institute of Fire Engineers (UK), and has contributed to the drafting of the current Uniform Building By Laws (2012), the publication 'The Guide to Fire Protection in Malaysia' and numerous papers on the application and interpretation of fire safety provisions in architectural designs. He is presently a Council Member of the Pertubuhan Akitek Malaysia and sits in the Practice Projects Committee, the Disciplinary Committee, the Building Standards and Legislation Committee and Continuous Professional Development (CPD) Committee. He is also an Examiner in the Examination Panel of the Board of Architects, Malaysia.

SEMINAR RUNDOWN

Time	Event	Speaker
09.00am – 09.20am	Registration	
09.20am – 09.25am	Opening "Providing Solution in the Specification and Installation of Passive Fire Protection System for Construction Industry"	Ir Dr. Julian Lee Chief Executive & Founder Cinnotek International Group
9.25am – 10.05am	"Fire System & Inspection, testing & Safety Practices in the Building of Malaysia "	Ar. Anthony Lee Tee Director, Accredited Architect and Trainer for Architect Centre Sdn Bhd
10.05am – 10.35am	"Case Study for Fire Safety in Building and Infrastructure Design in Malaysia – From Architect's Perspective"	Ar. Chong Lee Siong Principal Architect Lee Siong Architect, Malaysia
10.35am – 10.50am	Morning Tea Break	
10.50am – 11.30am	"International Case study for Fire Stopper Application from Codes & Approvals Perspective"	Er. Kamalika Kundu Manager- Codes & Approvals Hilti Asia Pacific Pvt. Ltd.
11.30am – 11.50am	"Case Study for Fire Safety Design and Construction in Asia and New Zealand"	Ir Dr. Julian Lee Chief Executive & Founder Cinnotek International Group
11.50am – 12.20pm	Panel Discussion "Challenges and Opportunities for Fire Safety Project in Malaysia"	Moderator: Ir Dr. Julian Lee Panellists: Ar. Anthony Lee Tee Ar. Chong Lee Siong Er. Kamalika Kundu
12.20pm - 12.30pm	Closing Remarks	Ir Dr. Julian Lee Chief Executive & Founder Cinnotek International Group
